## Product Change Notification

|  |  |                                      |
|--|--|--------------------------------------|
| <b>Product Part Number</b>   | <b>UMFT4222EV, UMFT4222EV-B and UMFT4222EV-C USB2.0 to Quad SPI/I2C Bridge Development Boards</b>  | <b>Estimated implementation date</b> |
| <b>Description of Change</b>   | <b>Update FT4222HQ to Rev. D in UMFT4222EV modules</b>   | <b>Apr 2018</b>                      |
| <b>Reason for Change</b>   | <b>FT4222HQ Silicon modification to Rev. D</b>   |                                      |
| <b>Detailed Description</b>  | <b>Update FT4222HQ-D on the PCB</b>  |                                      |
| <b>Impact to Data sheet</b>  | <b>Functions not changed. Update Part number for clarify</b>   |                                      |
| <b>Benefit of Change</b>   | <b>Issues fixed – see PCN_028 for the FT4222H IC improvements</b>  |                                      |
| <b>Markings to distinguish revised from:</b>   | <b>Part number UMFT4222EV, UMFT4222EV-B and UMFT4222EV-C will be replaced by UMFT4222EV-D. The new part number will be indicated on the label of PCB and Box.</b>                            |                                      |
| <b>Sample Availability</b>   | <b>May 2018</b>  |                                      |
| <b>Risk Assessment, Fit Form and Function &amp; reliability</b>  | <b>Not applicable</b>  |                                      |
| <b>PDF Download</b>  | <b><a href="http://www.ftdichip.com/Support/Documents/ProductChangeNotifications/PCN_FT_028.pdf">http://www.ftdichip.com/Support/Documents/ProductChangeNotifications/PCN_FT_028.pdf</a></b> |                                      |
| <b>Others:</b><br><br><b>For the details of FT4222HQ-D update, please refer the Technical notes:</b><br><br><b><a href="http://www.ftdichip.com/Support/Documents/TechnicalNotes/TN_175_FT4222H%20Rev.D%20Technical%20Note.pdf">http://www.ftdichip.com/Support/Documents/TechnicalNotes/TN_175_FT4222H%20Rev.D%20Technical%20Note.pdf</a></b> |  |                                      |
